

Freedom

I am black.
I am white.
I am brown.
I am yellow.
Do you know who I am?
Does it make a difference who I am?

MLK, Malcolm X, Rosa Parks
Fought for freedom and paid the price/
Can I eat? Can I drink?
Can I sit? Can I stand?

MLK from yesterday
Paved the way for Obama's day
To make a difference
I look forward for my day!

If I have courage
And I believe
I'll help the people
To help them to be free.

If I believe
Then one day we shall all be free.
If I don't believe,
Then I won't be free.

If you don't believe
Then you won't be free
You should believe in yourself
Then you will be free.
